

# RhinoCourt Maintenance Kit

A *Newell Rubbermaid* Company

Your RhinoCourt Maintenance Kit includes the basic tools you need to maintain your new floor. The interchangeable Quick Connect Handle can be used with both the 48" microfiber dust mop and the 18" microfiber wet mop. The charging bucket holds 10-20 microfiber pads which can be pre-moistened with water and Super Shine-All for wet mopping and spot cleaning. Use these tools from day one to keep your floor looking as new as the day it was installed!
